

WRAPAROUND COACHING COHORT

January 8 - June 5, 2027

PURPOSE

A group coaching experience for Wraparound leaders and supervisors preparing to become certified Wraparound Coaches. Coaches help maintain fidelity to the Wraparound model and support effective implementation of the coaching process.

WHAT TO EXPECT

Skills are taught, practiced, and reviewed through video and role-play.. Participants submit scoring, forms, and/or recordings for review, with feedback provided in the following session. Limited make-up sessions are available as needed.

ABOUT

An evidence-supported model offering a structured setting to learn from certified coaches and peers.

- Weekly virtual sessions for four months, 2 hours each; video participation is required.
- Trainee and organizational commitment are required.
- Access requirements: Participants need a case manager for coaching toward certification. Non-certified facilitators also need access to an individual or family receiving Wraparound.
- Prerequisite: Completion of Wraparound 101; organizations should have necessary infrastructure in place before enrolling coaches.
- Organizations must support participants' availability for Friday afternoon sessions and weekly certification activities.

REGISTRATION

\$1,500 per participant
\$1,200 per person for groups of 2+
